

PICCADILLY MARKET

at St James's Church

NEWSLETTER

Tuesday 14/08/12

Dear market trader

As this is my first newsletter, I would like to take the opportunity to thank ALL of you, for the warm welcome that you have given me.

A few points that I would like to draw your attention ...

1. The market opens, in the morning at 10:00 am and I expect that the market stalls will be open and ready for trading at 10:00 am.
2. Smoking is not permitted in the market as it is a work place. Smoking is permitted outside the market or by the garden.
3. I do hope that you like the jet washing and is our duty to keep the market clean and tidy at all times. For the jet washing and the bunting decorations a big thank you to Dominic.
4. We have installed four new low energy halogen lights in two stalls, two by Dennis's stall and two by "Parma Forza" stall. Please have a look and let us know your opinion as we are trying to replace the old halogen lights.
5. Our fellow market trader Mark Stephenson (essential oils) will update and maintain the market web site < piccadilly-market.co.uk > If your entry needs up dating or you are a new market trader and require an entry, please talk to Mark, at his stall, Tuesday to Saturday. Please be aware that as he is a market trader, try to approach him at a "quiet moment". To email Mark (text, images or other media) use : mark@littleswift.co.uk Thank you Mark.
6. We have ordered a new stall, a complete set (frames, top cover, table top and valance) from "M & M structures" our stall makers. This stall will be "an one off" for us to see what it is like and we will use it for display purposes. The new stall will be here in a couple of weeks and then all of us will have the opportunity to discuss the matter further.
7. We are planning to up date our market traders contact details, so please see the attached sheet and returned it back to me. Your details will be confidential and for the

market office use ONLY. At the same time and if you wish to contact me my telephone no : market office 020 7 292 4864 and my mobile 07774 64 11 65

Finally, I believe that communications between us ALL are very important, so please do not hesitate to approach me with your comments and feed back.

Thank you and have a busy week ...

Costas.

Market Manager.
